WORK TESTIMONIAL FROM YRAN & STORBRAATEN ARCHITECTS A/S

Jonas Esdaile Aabel, born 04.12.1980, has been working with Y&S since 2006. His main responsibilities has been graphic design and 3D development for client presentations, as well as early stage concept development work on various building, interior and cruiseship projects.

Jonas demonstrates an impressive skill set, wich comes form his industrial design background. He is proficient in traditional media(sketching and hand drawing) as well as the latest state of the art digital drawing tools. He tackles the projects head on and work hard and fast to meet the agreed deadlines.

Jonas is a good communicator and make sure there are very few misunderstandings during the development process.

Jonas is also a nice guy with excellent people skills. He is funny and charming and makes other people feel comfortable in his presence.
